RE: State Assistance Rate Policy 2015-16 school year

We employ simplified tuition rates for all children attending Sweet Beginnings Early Learning Centers who are receiving State Assistance. As you are aware you are charged a copay amount. In order to streamline tuition we have made the decision to charge all families receiving State Assistance the same amount, regardless of your sliding scale fee. The rate has been calculated based on the highest rate of tuition assistance available to families in the highest need category. Below you will find the rates for the 2015-16 school year for your child/children. These rates will not change, even if your sliding scale fee changes between September 1, 2015 – August 31, 2016. The only reason your rate would change is if your family no longer qualifies for State Assistance or if your child turns 2 or 5 years of age prior to the end of this enrollment period on August 31, 2016.

Infants – day before 2 nd birthday	\$98/week	Full Time
	\$64/week	2 days/week
	\$96/week	3 days/week
Age 2 – day before 5 th birthday Preschool I	\$136/week	Full Time
	\$77/week	2 days/week
	\$115/week	3 days/week
Age 2 – day before 5 th birthday Preschool II	\$113/week	Full Time
	\$66/week	2 days/week
	\$98/week	3 days/week
Ages 5 – 12	\$124/week	Full Time
	\$70/week	2 days/week
	\$104/week	3 days/week

If you have any questions about this policy please speak with the school director.

Students enrolled at Sweet Beginnings using State Assistance have a maximum of 10 absence days/year (July – June). Should your child exceed the allotted absences/year you will be responsible for your child’s full tuition payment not covered by State Assistance.

I, _____ understand and agree to the above State Assistance rates and policies regarding tuition at Sweet Beginnings Early Learning Center.
