APRIL 2017

## Summer is around the corner...

2017 is already going by so quickly! The summer months will be here in no time. We are excited for all the new schools we have joining our program this summer. Remember, Jemima's Playhouse offers amazing In-House Field Trips for summer camps!

## Amped for April!

For the month of April, we will cover the following:

- ✿ **Seasons:** In April, students will talk about the start of spring and change of seasons with the song "Seasons!"
- ✿ **Siete!:** We will learn about the number seven and the 7 Days of the Week in Spanish
- ✿ **Color Review:** Our new scarves activity will help students in recalling their colors in Spanish and French.
- ✿ **Story Time:** Students will enjoy Jemima's Playhouse stories while learning about different cultures with Madame Belle and Boss the Chipmunk.

## What's New?

We are excited to announce our 1st Annual Performance in our Kansas City service area this year! We will be staging "Señor Burro's Birthday Party" on May 20th this year at North Heartland Community Church. More details can be found on our website under our Outreach program.
