

## June 2017 Newsletter

### **New referral program!**

Would you be interested in one week of FREE CHILDCARE? Small businesses thrive because of parents like you who refer us. We are now offering a special referral incentive to our families, starting NOW! Sweet Beginnings families who refer children to our school that enroll in the months of May through July will be offered one FREE week of childcare for one child to use, at your discretion, once the new family has been at Sweet Beginnings for 90 days. Please remind family and friends to let us know you referred them at the time of their tour/enrollment!

### **Water Play is here!!!**

We are so excited for water play! It will start the week of June 5th and end the week of August 21st. We know the kids love water play, so here are a few reminders to have a safe and successful summer:

1. We ask that preschool students wear their swimsuit to school and can change after water play. Toddlers, please bring your suit to school in a plastic bag and teachers will change them after breakfast and morning diapers.
2. Please apply sunscreen before bringing your child to school and we will reapply after nap. We must have a medication authorization form

## **Summer plans!**

Can you believe summer is here!?  
Now is the time for family vacations and summer camps/activities.  
Please let us know your plans so that we may plan for the school's needs and staffing.
