Move with the Music

We at Jemima's Playhouse believe in the importance of interactive educational experiences. That is why we strive to give all our friends the most engaging and fun learning opportunities available. Nothing says fun learning quite like singing and dancing!

Señor Burro's Fantastico Visits!

This fall, our walking, talking donkey from Mexico has been making special trips to visit all the friends of Jemima's Playhouse. We love the opportunity to share this exciting event with your kids. Remember to let your parents know when Señor Burro will be at your school so they can enjoy the chance to meet this amazing character with their children!

Fall Color Fun

This month we will explore:

- Colors: Students will go over colors in French and Spanish as well as play some fun interactive games to get their bodies and minds moving!
- The Letter B: BahamaMan and Madame Belle will teach the kids all about the letter B this month!
- Fall Favorites: Students will get the chance to learn more about their favorite Jemima's Playhouse character this month as we gear up for Thanksgiving fun!
- Fast and Slow: Let's learn about tempo and speed through fast and slow songs!
- Silly Quarter Note: Musical note adventures are a great way to get into a festive and fun spirit for upcoming holidays! Your kids will have a blast learning through music all month long.

Adios!
